Forecast for Friday 10 Jun 2022

Weather: Clear spells and isolated showers during the early hours. Sunny periods during the morning with isolated mainly light showers developing in the afternoon, however many places will remain dry, and becoming dry generally in the evening.

Chance of cloud-free hill tops above 600m: 90%.

Low cloud and visibility: Cloud will be clear of the summits for the majority of the time, however isolated patches may develop briefly in showers on some slopes above 700m. Visibility beneath cloud generally excellent, with only brief deteriorations to moderate in any showers.
